

Zoning Office Closure

The Kingston Township Zoning Office will be closed on Thursday, September 21, 2023 due to staffing availability. This is a rare situation, and we are sorry for any inconvenience the closure might cause you.

Staff will be in the office for a short time on Wednesday, September 27, 2023, to process any outstanding applications and respond to any phone messages. The office will reopen for regular business on Thursday, September 28, 2023 at 8:00 a.m.

Applications can be placed in the white lock box located next to the entry door.
